What is PHILOSOPHICAL PSYCHOLOGY? definition of ... the department of psychology which analyzes the philosophical dilemmas pertaining to the discipline and the philosophical presumptions which underlie its theories and techniques. Philosophy of psychology - Wikipedia Philosophy of psychology also closely monitors contemporary work conducted in cognitive neuroscience, evolutionary psychology, and artificial intelligence, for example questioning whether psychological phenomena can be explained using the methods of neuroscience, evolutionary theory, and computational modeling, respectively. Although these are all closely related fields, some concerns still arise about the appropriateness of importing their methods into psychology. Philosophical Psychology: Home Philosophical Psychology is an interdisciplinary journal devoted to developing and strengthening the links between philosophy and the psychological sciences by publishing original, peer-reviewed contributions that advance these fields of research. In addition to psychologists and philosophers, the journal's international readership and contributors include neuroscientists, linguists, biologists, sociologists and anthropologists, psychiatrists, and computer scientists.

Journal of Theoretical and Philosophical Psychology The Journal of Theoretical and Philosophical Psychology Â® is devoted to fostering discussion at the interface of psychology, philosophy, and metatheory. The journal addresses ontological, epistemological, ethical, and critical issues in psychological theory and inquiry as well as the implications of psychological theory and inquiry for philosophical issues. Frontiers in Psychology | Theoretical and Philosophical ... Scope Psychology and philosophy not only share a long and fruitful history, but are still natural partners that benefit from each other. The specialty section of Theoretical and Philosophical Psychology offers an open-access forum for interdisciplinary exchange about topics at the interface between the two disciplines. Philosophy | Psychology Today New findings in psychology and neuroscience are pushing philosophers to rethink such big questions as the relationship between mind and body, the meaning of free will, just exactly what faith is.

Philosophical Psychology: Manuscript Submissions Philosophical Psychology utilizes endnotes, rather than footnotes. If there are any notes, they should be contained in a separate section labeled "Notes," immediately prior to the reference section (which comes last.
